

# PARK MAITLAND PRESCHOOL

Excellence Begins in Wonder

# General Information School Uniform Overview

**The Park Maitland School logo is required on all tops, shirts, sweaters, vests, school jackets, dresses, and jumpers for all K-4 students at the Park Maitland Preschool.**

The school's uniform dress code is easy to follow, the clothing is readily available, and the uniforms help us to focus on what is most important at school -- learning! The styles are basic and conservative.

Lands End and 3N2 are approved uniform vendors. Uniforms purchased through these vendors will arrive embroidered with the approved logo. However, clothing items can also be purchased from a variety of vendors as long as length and style requirements are met. These items will need to have the school logo embroidered by one of our approved embroidery vendors.

**Embroidery:** The logo shown on the right is the only logo allowed on our uniform schoolwear. It should be embroidered on the left chest and is REQUIRED on all top garments (shirts, sweaters, sweatshirts, schoolwear tees, vests, school red and green fleece jackets, dresses, and jumpers.)
