

SCHOOL SUPPLY LIST

RISING 2ND GRADE STUDENTS

Grade 2-School Supplies for 2021-2022

Listed below are the supplies that your 2nd grade child will need for the 2021-2022 school year. All other necessary supplies will be provided by the school.

General Supplies:

- Insulated Water Bottle (labeled clearly with student's name)
- Rain jacket or poncho
- Headphones or earbuds
- Insulated lunchbox

Please be sure to write your child's name on each of their items so they can easily be identified.

Technology - iPads + Keyboard Case

All 2nd Grade students will receive their school managed iPad and charger on the first day of school. For returning students, this is the same iPad that was assigned to them previously. The school will push all the required grade level apps to the iPads prior to the first day of school.

As students transition to second grade, they will be required to provide a case & keyboard combo for their iPads. The case/keyboard combos we highly recommend are made by either Logitech or Zagg. We recommend selecting one of their more rugged cases to endure the daily handling and transport of the iPad. You will receive more communication regarding this and the iPad model prior to the start of the school year.
