RIISING 4TH GRADE STUDENTS

Grade 4-School Supplies for 2021-22

Listed below are the supplies that your 4th grade child will need for the 2021-22 school year.

Consumable supplies (notebook paper, pens, pencils, erasers, etc.) will need to be replenished throughout the year.

General Supplies:

- 200 count wide-ruled paper
- STURDY 2 inch (no larger, please) zippered 3-ring binder. Cover must be an appropriate elementary-themed design. Huge binder rings tend to break easily. Double binder rings (3 rings on the right and left) make the binder too large to fit in the desk.
- 3 clear-front lever report covers (found at Office Depot or Staples; Item #554144). It has a swing lever to hold in many pages. Report covers will have shared use in reading, ESW, and science. Please have them at the beginning of the year and keep at home. These covers (see link below) are the absolute best! They will be used for book reports.

- Cloth zippered pencil case
- 1 package of 5 tab = (15) poly dividers with pockets (heavy plastic) for notebook (such as School Smart Poly Pockets). Paper dividers are not adequate.
- 6 #2 pencils
- 6 eraser caps for the pencils
- 2 mechanical pencils
- One of each: red, blue, and black pen
- 1 yellow highlighter pen
- Colored pencils and safety scissors to be kept at home for projects
- Earbuds in a plastic Ziploc bag
- Insulated Water Bottle (labeled clearly with student's name)

Technology - iPads + Keyboard Case

All 4th Grade students will receive their school managed iPad and charger on the first day of school. For returning students, this is the same iPad that was assigned to them previously. The school will push all the required grade level apps to the iPads prior to the first day of school.

We require that students provide a protective case / keyboard for each iPad. The case/keyboard combos we highly recommend are made by either Logitech or Zagg. We recommend selecting one of their more rugged cases to endure the daily handling and transport of the iPad. For returning students, you may continue to use the same case/keyboard as last year. If the old one is no longer in optimal conditions, you may consider providing a new one. You will receive more communication regarding this and the iPad model prior to the start of the school year.

***Backpacks are optional. If you child does decide to use a backpack, please remember it must fit easily inside the cubbies.*
